

# **11<sup>th</sup> EUMETNET Data Management Workshop**

**Placing climate data to social service:  
From observations to archives**

**First announcement**

**Abstracts should be sent before May 31<sup>st</sup> 2017**

**dmw2017@zamg.ac.at subject: DMW**

**ZAGREB, CROATIA  
18 – 20 OCTOBER 2017**

**[meteo.hr/DMW\\_2017](http://meteo.hr/DMW_2017)**

## Main Topics

**Data rescue:** investigation, cataloguing, digitization, imaging

**Climate observations:** standards and best practices, definition of climatological day, mean values

**Metadata:** WMO Information System (WIS), INSPIRE, climate networks rating guides

**Quality control:** automatic/manual of climate time-series, on-line data, real-time observations

**Homogenisation** of climate time-series from sub-daily to monthly scale, homogenisation methods, assessment of inhomogeneity

**Archiving:** retention periods, depository, climate service centres and data collections for scientific and public use, databases, data access, user interface, data distribution

## Call for Abstracts

Presentations will be oral or posters. Abstracts should be written in English, short, clear, concise. Figures, tables, mathematical symbols and equations should not be included.

**Abstracts should be sent by email to [dmw2017@zamg.ac.at](mailto:dmw2017@zamg.ac.at) subject: DMW before May 31<sup>st</sup> 2017.**

Authors will be informed about the acceptance of their papers by the scientific committee early in September.

## Conference Venue and Programme

The workshop will be held in the building of  
Croatian State Archives  
Marulićev trg 21, Zagreb, Croatia

### Wednesday, October 18<sup>th</sup> 2017

08:30-09:30 registration

09:30-16:00 sessions

17:00 - guided tour, ice breaker

### Thursday, October 19<sup>th</sup> 2017

09:00-17:00 sessions

19:00 workshop dinner

### Friday, October 20<sup>th</sup> 2017

09:00-15:30 sessions

## Further Information

Conference registration fee is 80 €.  
Details on registration procedures and the workshop in general will be available on the website:

**[meteo.hr/DMW\\_2017](http://meteo.hr/DMW_2017)**
